

## 2008-9 Schoolhouse Contract for Online Safety Student Pledge

1.	I will only use the Internet at school when a teacher is present, and I will use the Internet at school for approved projects. I understand it is <u>my</u> responsibility to check.
2.	I will <u>not</u> give out personal information (without Wendy's permission) such as my <ul style="list-style-type: none"><li>• address</li><li>• telephone number</li><li>• picture</li><li>• name or location of my school</li></ul>
3.	I will tell Wendy right away if I come across any information that makes me feel uncomfortable.
4.	I will never type directly into the address bar.
5.	I will search on the Internet at school using an approved search engine like the Google toolbar (set on safe search), Yahoo!igans or KidsClick!
6.	When searching on the Internet, I will make thoughtful choices about the links I visit, reading the preview before I click.
7.	I will think before I click, avoiding ads and banners on websites designed to trick me into making purchases or downloading software.
8.	I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do I will tell Wendy right away.
9.	I will not download a file or program without Wendy's permission.
10.	I will be a good online citizen and not do anything that hurts other people or is against the law.

I agree to the above. If I choose not to follow the above guidelines, I understand I will not have the privilege of using the Internet at school.
